Peter Mansfield M. Arch, O.A.A.
Architect & Principal pmansfield@bellnet.ca

Education:

- Master of Architecture, University of Manitoba, Winnipeg, Manitoba, 1991
- Demark International Study Program (Architecture and Design Studies), University of Copenhagen, Copenhagen, Denmark, 1989
- Bachelor of Technology (Architectural Science), Ryerson Polytechnical Institute, Toronto, Ontario, 1988

Work Experience:

- **1999 – Present:** Principal of Peter Mansfield Architect, a community-based practice located in Almonte, Ontario. Over the past seventeen years a number of projects have been sensitively undertaken ranging from adaptive re-use, commercial and institutional to numerous custom residential commissions. The firm of Peter Mansfield Architect thrives on the model of team design work both in partnering with architectural colleagues, as well as the coordination of various consultants as required to achieve timely and quality results. Sample projects include:
 - Orchard View by the Mississippi, Almonte, ON – 130,000 ft² 121-suite retirement centre (under construction)
 - Clothier Street Apartment Building, Kemptville, ON – 7,000 ft² 6-unit apartment building (under construction)
 - Mills Community Support Corp., Almonte, ON – 5,000 ft² Country Street community centre (in development)
 - Garden Villa Retirement Residence, Chesterville, ON – 7,500 ft² 12-unit addition (2015)
